NOTIFICATION

This for information to all concerned that the University has decided to offer the courses of the fourth semester of the MA in Economics and MA in Applied Economics programmes under the revised scheme as mentioned below.

In the original scheme, the learners of the two programmes were to opt any two courses from out of total 5 courses. Now, according to the revised scheme, there will be two groups: Group I and Group II. A total of 6 courses have been offered, 3 in each Group. **Learners will be allowed to choose any one course from each of the Groups of the respective programme. Two courses from the same group will not be permitted.**

MA in Economics Programme

Group I: Mathematical Economics
Economics of Social Sector
Demography

Group II: Agricultural Economics
Economics of Insurance
Operations Research

MA in Applied Economics Programme

Group I: Marketing of Financial Services
Mathematical Economics
Legal Aspects of Business

Group II: Economics of Insurance
Security Analysis and Portfolio Management
Operations Research

(Arupjyoti Choudhury)
