Dear Sir,

It is a matter of pleasure for us in shearing with you that the International Conference (on 16 & 17 December 2017) organized by the University has concluded smoothly and successfully. A number of prominent educationists of India and abroad had deliberated on different topics in different sessions and many researchers had presented seminar papers. In that conference there was also a discuss on OER (Open Educational Resource) policy and its prospect in teaching and learning in Higher Education. As our University has already adopted a policy on OER so in that context it is now in the planning stage for initiating a few measures for the preparation of learning materials for the persons with disability (which is now termed as *Divyang*). Therefore you are requested to furnish the names of such learners who have taken admission in your Study Centre with other information as shown in the format attached here to the undersigned as early as possible.

We sincerely solicit your cooperation for strengthening the service of the university in fulfilling the aspirations of the learners.

Thanking you

Yours sincerely

(Dr Dibyajyoti Mahanta)
