Sir/Madam,

It is for your information that Krishna Kanta Handiqui State Open University is the only Open University in the North-East Region. After its establishment by the Govt. of Assam in 2006 it is extending its service to the interested learners who are interested for perusing Higher Education at an affordable cost, while earning are able to learn.

We all know that Govt. of India has adopted the NEP 2020 which has mandated that the GER of the state should reach 50% by 2035. It is understood that it is a challenging task and without the Open University, it is practically difficult to reach the target. Yours being one of the Provincialized Colleges in Assam and have to play an important role toward GER in the State, you can consider to open a Study Centre at your college. It could be done by sending your interest through filling up the application form available in the website (www.kkhsou.in) with the application fee Rs. 2000 to be paid online. The application should reach the University by 12 June 2023 as the admission in university will start from 1 July 2023.

For any further information please feel free to contact the university (website).

This has been issued with the approval of the Vice Chancellor.

Yours faithfully,
