

# ONE DAY CONSULTANCY WORKSHOP *on* Developing MOOC Proposal

25<sup>th</sup> June 2025

*Organised by*

**Committee for Generating Consultancy Assignments  
KRISHA KANTA HANDIQUI STATE OPEN UNIVERSITY**

*in collaboration with*

**CIQA, KKHSOU**

## I. Background & Rationale:

The digital transformation of education has gained significant momentum, with MOOCs (Massive Open Online Courses) playing a pivotal role in expanding access to quality learning. As envisioned in the National Education Policy (NEP) 2020, online education is now an essential component of the academic framework.

Creating a high-quality MOOC requires systematic planning—from ideation and instructional design to technical execution and learner engagement. With its experience in offering 22 MOOCs across diverse disciplines—the highest in the North East region—Krishna Kanta Handiqui State Open University (KKHSOU) is uniquely positioned to lead capacity-building initiatives in this domain.

In view of this, KKHSOU is organizing a One Day Consultancy Workshop on “Developing MOOC Proposal” to guide educators, content developers, and academic professionals in crafting effective MOOC proposals that are pedagogically sound and technologically feasible.

## 2. Objectives of the Workshop:

- To understand the essential components of a successful MOOC proposal.
- To provide practical guidance on the end-to-end process of MOOC development.
- To introduce national MOOC platforms like SWAYAM and their proposal requirements.
- To encourage innovation and collaboration in online content creation.
- To support the vision of NEP 2020 through enhanced digital education strategies.

## 3. Target Participants:

- University and college faculty members.
- Educational content developers and instructional designers.
- Educational technologists and IT support staff
- Curriculum designers and academic administrators.
- Researchers and professionals in e-learning.

## 4. Workshop Highlights:

- Sessions led by MOOC experts and instructional designers
- Step-by-step training on MOOC proposal development
- Real-life case studies and success stories from existing MOOCs
- Interactive group activities and proposal drafting exercises
- Consultation on national guidelines and funding opportunities

## 5. Registration Details:

- **Registration Fee: ₹1000**
- **Last Date of Registration: 20/06/2025**

**For registration click here** 

<https://forms.gle/JAJ46FZMbRFakFr78>

## 6. Venue & Timing:

**Venue :** Computer Lab, KKHSOU City Campus, Resham Nagar, Khanapara

**Time :** 10:00 AM – 5:00 PM (with lunch and tea breaks)

## 7. Mode of Delivery:

The workshop will be conducted solely in physical mode. Maximum 45 participants will be allowed. The selection of the participants is purely on first come first served basis.

## 8. Expected Outcomes:

Participants will:

- Gain a clear understanding of MOOC structures and proposal writing
- Be able to draft a comprehensive MOOC proposal suitable for national platforms
- Develop insight into content development tools and learner engagement methods
- Build collaborative networks for future MOOC development projects

## 9. Resource Persons:

Eminent academicians, experienced MOOC developers, and technical experts will serve as resource persons, bringing practical experience and strategic insight into the workshop.

## 10. Committee:

**Chief Patron:** Prof Rajendra Prasad Das

**Advisors:** Prof Nripendra Narayan Sarma  
Prof Joydeep Baruah  
Prof Pranab Saikia

**Chairperson:** Dr Gobinda Deka

**Convenor:** Dr Parag Dutta  
Dr Ridip Dev Choudhury

**Co-Convenor:** Dr Nabankur Pathak  
Dr Sanjib Borah

**Members:** Dr Mridusmita Duarah  
Dr Sruti Sruba Bharali  
Dr Antara Mahanta  
Dr Chayanika Roy  
Binod Deka  
Utpal Bhattacharjya  
Hem Prokash Mout

## 11. Workshop Schedule:

Time	Session Title
9:00 – 9:30 AM	Registration & Welcome Tea
9:30 – 10:00 AM	Inaugural Session
10:00 – 11:00 AM	Session I: What is a MOOC? Understanding the Framework and Vision
