Dear Scholars,

Greetings from Krishna Kanta Handiqui State open University!

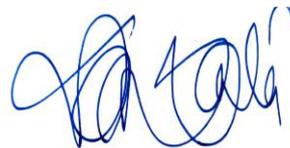

We are happy that you are pursuing research through our university and hope that it would benefit the society at large. It is indeed a pleasure in inviting you all to the 'Scholars Meet' scheduled to be held on 01.06.2021 at 3.00 pm through ZOOM platform. The Meet is solely organized for the scholars registered in our university. The idea of organizing such a unique meeting aims at getting feedback from all in their journey for quality research and to discuss certain issues with the permission of the Vice Chancellor in a common platform.

It is an excellent opportunity for all the researchers to share their research experiences and ideas. We would like to invite all the scholars to participate and interact in the meeting. The attendance in the Scholars Meet is mandatory for all the scholars (Registered since January 2017 and after). The university may take appropriate steps, like cancellation of Registration, for one who fails to participate without any genuine ground.

The registration link of the meeting is provided herewith for the scholars of the above mentioned period. After registering, you will receive a confirmation email containing information about joining the meeting.
