

Notice on Spoken English

In the existing SLM on Spoken English, which is a compulsory course of BA/BCom/BBA/BMC 3rd Semester, three units namely **“Issues in Pronunciation of English”, “Vowels and Consonants”** and **“Stress, Rhyme and Intonation”** were included. However, they have been replaced with three new units, **“Spoken English and Grammar in Context”, “Issues in Modality”** and **“Speech Skills”** keeping in view the difficulties our learners have been facing in pursuing the existing course on Spoken English. The co-ordinators of the Study Centres of KKHSOU are requested to ensure that the learners of 3rd Semester get the revised SLM, as questions on the course for the Semester-End examination will be set from the revised SLM.
