NOTIFICATION REGARDING PLAGIARISM CHECK

It has been reported that some learners, who have supposedly submitted their dissertations to the official email within time (on or before 9th October,2024), have not found their name and enrollment numbers in any of the lists (Accepted, Review or Rejected) till date.

In view of the above fact, a few points are clarified below for all the learners of 4th semester of KKHSOU.

1. Those learners who have submitted their dissertations on or before 9th October,2024 should send another email to the same email id plagiarismcheck@kkhsou.in mentioning their enrollment number, name and discipline. The email must be sent from the same email from which they have sent their dissertations. Such learners **whose plagiarism check results are not published by the University till the date of Viva, will be allowed to appear in the Viva Exam provisionally with an undertaking.**
2. The learners whose dissertations have been **Accepted**, should come for the viva exam along with the copies of dissertation (properly signed by the supervisor) and a copy of the concerned page of the published Accepted list.
3. Those learners whose names and enrollment numbers are published in **the Review list** should submit the revised copy of the dissertation to plagiarismcheck@kkhsou.in before 5th December, 2024. If they want a copy of the report of the plagiarism check then they may send an email to plagiarismcheck@kkhsou.in asking for the copy of the report. However, **even if the results of the reviewed dissertations are not published by the University before the date of the Viva, the learners in the Review list will be allowed to appear in the Viva provisionally, with an undertaking.**
4. Those learners whose names and enrollment numbers are in the **Reject List** will have to submit their fresh dissertations in the next session. It's expected that the schedule of the next examinations will be published very shortly (in the early 2025). The concerned learners may submit the dissertations with the same title or a new title and will have to submit for a new plagiarism check in the next session.

The exact Date, Time and Exam centres for the Viva Exam will be published by the University on or before 4th December,2024 on the University website.
